INSTRUCTIONS FOR COMPLETING THE 2016-2017 REGISTRATION FORM AND CPE REPORTING FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2016

***Applicable changes in Board laws and rules have been incorporated into these instructions;
You are encouraged to read all instructions since there are several changes.***

*****It is the responsibility of the CPA to register timely, regardless of whether or not he or she receives the Board's courtesy reminder(s)*****

ANNUAL REGISTRATION: All Alabama CPAs and PAs are required by the Alabama Accountancy Law (Title 34, Chapter 1, Code of Alabama 1975) to register annually with the Alabama State Board of Public Accountancy ("the Board"). The only exception is for licensees who have elected retired status previously. The link to the on-line registration form can be found on the Board's website at <http://www.asbpa.alabama.gov>. Instructions for on-line registration are provided at every step. **American Express, MasterCard and Visa are the only credit cards that can be used for on-line payment!** If registration is done through the internet-based procedure, the paper form should **NOT** be mailed to the Board. ***Do not register on-line if this is your initial registration.*** Please print the registration form and mail it with the appropriate registration fee. If you choose to register manually, you may download the 2016-2017 Registration Form, complete it, and return with a check payable to the Alabama State Board of Public Accountancy in the amount of \$75.00 for active status or \$50.00 for inactive status.

Active Status. CPAs and PAs practicing public accounting in Alabama must obtain an annual permit to practice (active status). The experience required **to qualify initially** for a permit to practice is one year of public accounting or two years in a qualifying accounting position in industry, business, government or college teaching. Your experience must be verified in writing and sent to the Board office by your employer(s). Upon completion and verification of the required experience, you may apply for your initial permit to practice. A **\$75.00** fee for an annual permit to practice, whether initial or renewal, must be submitted to the Board along with the 2016-2017 Registration Form. Continuing Professional Education (CPE) is required for active status and must be reported on the 2016-2017 Registration Form in the section entitled "Continuing Professional Education (CPE) Reporting for the Fiscal Year Ended September 30, 2016." Further details on reporting CPE are on the reverse side of these instructions.

Inactive Status. CPAs and PAs who do not desire an annual permit to practice public accounting (those electing inactive status) or those who are otherwise ineligible for an annual permit must also register with the Board annually. A **\$50.00** fee is required along with the 2016-2017 Registration Form for inactive status. *CPAs and PAs who are on inactive status must place the word "inactive" adjacent to their CPA or PA title on any business card, letterhead, or any other document or device, except for their CPA or PA certificate, on which their CPA or PA title appears.* If a CPA or PA on inactive status desires to return to active status, he or she must apply for an annual permit to practice with proof that 40 hours of CPE were obtained for each fiscal year of inactive status, not to exceed 120 hours of CPE. Fifty percent of the hours must be in accounting and auditing courses; 25 percent of the hours must be in tax courses; and all of the hours must be obtained during the three-year period preceding the date of the request for an annual permit to practice. No more than one-half of the hours can be in self-study courses. A CPE catch-up form can be found at www.asbpa.alabama.gov.

Retired Status. CPAs and PAs who are eligible may elect retired status on the 2016-2017 Registration Form with no fee requirement. Retired status is defined as a licensee who has reached age 55 and is no longer performing any of the duties of public accounting, including, but not limited to, tax return preparation and management advisory services.

The 2016-2017 registration and appropriate fee are due in the Board office on October 1, 2016; however, the rules do provide a grace period for filing timely through December 31, 2016. This grace period applies only to submission of the completed registrations. CPE must be earned during the fiscal year and completed by September 30, 2016. Please note that only the last four digits of your Social Security number are required. All registration forms completed manually and fees should be mailed to the Alabama State Board of Public Accountancy, PO Box 300375, Montgomery, Alabama 36130-0375.

DELINQUENT STATUS: Registrations submitted online or postmarked after December 31, 2016 are considered delinquent. A \$100.00 penalty is due for registrations submitted from January 1, 2017 through March 31, 2017. The penalty increases to \$500.00 for registrations submitted April 1, 2017 through September 30, 2017. After that date, disciplinary actions ensue for unpaid fees and penalties; therefore, you are encouraged to file as near the October 1, 2016 due date as possible.

At least eight hours must be in accounting and auditing, and no more than eight hours in behavioral courses will be accepted. Other maximum limits include 20 hours a year for self-study, 10 hours for publications authored, and eight hours for technical sessions at professional meetings. CPE hours may not be carried over. CPE completion records should be retained for a minimum of five fiscal years. No CPE hours are required this reporting period for CPAs certified and/or licensed after October 1, 2015. There are three categories for detailing the CPE that you completed for the fiscal year ended September 30, 2016: Professional Development Programs, Seminars, and Educational Classes Attended; Correspondence or Individual Study Programs; and Speaker, Discussion Leader or Instructor. Each category has been annotated with applicable information from the rules to assist you in completion of the categories. Summary totals from these three categories should be entered on the front side of the form in the subsection entitled *CPE earned by Alabama standards*.

The section entitled *CPE claimed by reciprocity* has been included to implement the CPE Reciprocity agreements between the Alabama, Kansas, Kentucky, Mississippi, Nevada, North Carolina, South Carolina, and Tennessee Boards of Public Accountancy. This portion of the form is applicable only to Alabama CPAs who hold valid CPA certificates issued by those states and are domiciled in or whose principal office is located in the issuing state. If applicable to you, fill in your Kansas, Kentucky, Mississippi, Nevada, North Carolina, South Carolina, or Tennessee CPA Certificate number on the blank provided and check the box next to the appropriate state. If you are eligible to claim CPE by reciprocity, you are not required to complete the subsection entitled *CPE earned by Alabama standards* or detail your CPE courses on the reverse side of the form.
