*****It is the responsibility of the CPA and PA to register timely, regardless of whether he or she receives the Board's courtesy reminder(s)*****

ANNUAL REGISTRATION:

Renewal. All Alabama CPAs and PAs are required by the Alabama Accountancy Law (Title 34, Chapter 1, [Code of Alabama 1975](#)) to register annually with the Alabama State Board of Public Accountancy ("the Board"). The only exception is for licensees who have elected retired status previously. The link to the online registration form can be found on the Board's website at <https://www.asbpa.alabama.gov>. Instructions for online registration are provided at every step. All major credit cards (Visa, MC, AmEx, and Discover) can be used for online payment! If registration is done through the online procedure, the paper form should **NOT** be mailed to the Board. Additionally, if the renewal is done through the online registration, all steps must be completed online. Continuing Professional Education (CPE) is required for active renewal if it has not already been saved through the Board's online registration throughout the year. Please note, a refund will be issued for an incomplete registration. If the CPA or PA chooses to register manually, please print the 2021-2022 Registration Form from the Board's website, complete it, and mail to the Board with one of these preferred payment methods, **CHECK, MONEY ORDER, or CASHIER'S CHECK** made payable to the Alabama State Board of Public Accountancy in the amount of \$100.00 for active status or \$50.00 for inactive status.

Initial. Do not register using the online registration if this is your initial registration. Please print the paper registration form and mail it to the Board with the appropriate registration fee. CPE is not required for initial registrations. Please see Experience section for eligibility. The paper form can be found on the Board's website at <https://www.asbpa.alabama.gov>.

Experience. The experience required to qualify initially for a permit to practice (active) is one year of public accounting or two years in a qualifying accounting position in industry, business, government, or college teaching. Information on how to document experience can be found on the Board's website at <https://www.asbpa.alabama.gov/experience.aspx>. Upon completion and verification of the required experience, you may apply for your initial permit to practice, active status. If you currently are unable to document experience, please register as inactive.

Active Status. CPAs and PAs practicing public accounting in Alabama must obtain an annual permit to practice (active status). A **\$100.00** fee for an annual permit to practice, whether initial or renewal, must be submitted to the Board along with the 2021-2022 Registration Form. Continuing Professional Education (CPE) is required for active status renewals and must be reported on the 2021-2022 Registration Form in the section entitled "Continuing Professional Education (CPE) Reporting for the Fiscal Year Ended September 30, 2021." Further details on reporting CPE are on the second page of these instructions.

Inactive Status. CPAs and PAs who do not desire an annual permit to practice public accounting, see definition of the Practice of Public Accountancy Rule 30-X-1-01(f), (those electing inactive status) or those who are otherwise ineligible for an annual permit must also register with the Board annually. A **\$50.00** fee is required along with the 2021-2022 Registration Form for inactive status. *CPAs and PAs who are on inactive status must place the word "inactive" adjacent to their CPA or PA title on any business card, letterhead, or any other document or device, except for their CPA or PA certificate, on which their CPA or PA title appears.* If a CPA or PA on inactive status desires to return to active status, he or she must apply for an annual permit to practice with proof that 40 hours of CPE were obtained for each fiscal year of inactive status, not to exceed 120 hours of CPE. All hours must be obtained during the three-year period preceding the date of the request for an annual permit to practice. A CPE catch-up form can be found at www.asbpa.alabama.gov. **See Accountancy Rule 30-X-5-.01(1)(c).**

Retired Status. CPAs and PAs who are eligible may elect retired status on the 2021-2022 Registration Form with no fee requirement. Retired status is defined as a licensee who has reached age 55 and is no longer performing any of the duties of public accounting, including, but not limited to, tax return preparation and management advisory services. See definition of the Practice of Public Accountancy Rule 30-X-1-01(f). *CPAs and PAs who elect retired status must place the word "retired" adjacent to their CPA or PA title on any business card, letterhead, or any other document or device, except for their CPA or PA certificate, on which their CPA or PA title appears.* **See Accountancy Rule 30-X-5-.01(1)(b).**
